Summer Student Volunteer Application

The Newmarket African Caribbean Canadian Association Summer student volunteer program runs from June to August each year. This program offers unique volunteer experiences in multiple areas that will help you to develop a variety of skills including but not limited to marketing, communications, leadership, public's speaking, graphic designing and many more! Please complete the form below to participate. Volunteering for the summer student volunteer program also gives you an opportunity to be apart of our Leaders of Tomorrow (LOT) team which runs during the school year.
